

LADRRS Pay for Performance (P4P) Incentives to Medical Providers Available Through Dec. 1st

The Los Angeles Dental Registry and Referral System (LADRRS)

LADRRS was created by UCLA's More LA Smiles Program to improve pediatric oral health through electronic communication and care coordination among dental providers, medical providers, and care management teams serving children ages 0-20 with Medi-Cal coverage in LA County.

LADRRS P4P Plan

UCLA's More LA Smiles Program is now offering Visa gift card incentives to Medi-Cal medical providers for utilization of the LADRRS tool for dental referrals!

Gift card incentives will be provided in compliance with your clinic or organization's standards and policies.

LADRRS Incentive Structure

- A Visa gift card of \$25/referral for the first three LADRRS referrals.
- Subsequent gift cards for each set of 5 referrals at \$20/referral, with a maximum amount of 75 referrals (15 sets of 5).
- Ongoing Visa gift cards for each set of 5 referrals at \$15/referral.

COVID-19 Emergency Dental Locations LADRRS Update

LADRRS has been updated to now provide the latest COVID-19 Status for Dental Practices within LA County based on information from the California Medi-Cal Dental Website.
